Prince Alfred Park, in July. There are 402 classes, as against 460 last year. British games in particular having a heavy demand. A large addition has also been made to the day school, and the "entertainments" have been reduced. A class has been provided for colonial school children, and arrangements have been made by the society to feed all dogs exhibited. Entries close on Saturday, the 20th instant.

GRANITE DANCE IN AID OF THE R.C. POOR OR HAWTHORN.—A social reunion recently held at the Paddington Town Hall was magnificently attended by Messrs. Orachen and Lander, who were the promoters, and Mrs. Orachen, with her daughter (Miss Walker) had decorated the hall with much taste. Large baskets of ferns and flowers, suspended from the ceiling, were novel and graceful, fern and flower work was done with great skill, and from the large assembly and the orderly and good arrangements a pleasant and successful gathering was assured.

EXHIBITION OR PHONOGRAPH.—In the Railway Institute last night there were exhibited the photographs taken for a competition by members of the photographic section of the British Association of the Locomotive Office. The judges were Mr. E. M. Montford (president of the Art Society), King, and George, Mr. M. K. May, president of the association, who occupied the chair, announced that prize in the different classes had been won by Messrs. S. V. Austin, R. E. May, W. Murphy, E. C. G. Gandy, D. F. Rich, J. I. York, O. W. Ballhausen, and J. I. York, D. M. Maitland, and W. R. Howood. Water-colour paintings were lent by Messrs. J. Willis, W. Butler, and Tattersall. During the evening musical entertainments were given, the contestants being Messrs. C. Kyte, Miss Dillon, Miss Finney, Miss Richard, and Miss James, Ellis, and Walde. A lantern exhibition of photographs was much appreciated.

EVANGELICAL ALLIANCE.—A special meeting in connection with the International Alliance of the South West was held at the Convention Hall on Saturday. Mr. J. H. Goodell occupied the chair, and there was a large attendance. The secretary (Rev. T. S. Forsyth) referred to the objects of the alliance, and said that one of the principal aims was to educate the people in the duty of selecting only Christians for their ministers. He also spoke of the public utility, that God might be honoured in all the high places of the land. The Rev. T. B. Tressel showed an address on "Christian Unity," and urged that a united Christianity should be presented to infidelity on the one hand and Rome on the other. The Rev. Collier also spoke on the same subject.

St. JOHN'S BAPTIST CHURCH, PARMAHATTA.—A meeting of the parishioners of St. John's, Parmahatta, was held on Wednesday evening to consider the question of maintaining the burial ground in good order. Archdeacon Gifford presided. It was pointed out that the ground must be in good order, so that the trust will be well received. It was proposed to have a separate trust, and to make an effort to bring the fund up to £500. With that sum the ground could be maintained out of the interest.

PAWNS CARRIERS.—A supplement to the Government Gazette issued yesterday contains a proclamation to the effect that it shall not be lawful for any person to catch or attempt to catch pawns by means of a net, or by any other mode of capture, during the months of June, July, August, and September of the present year, in any part of the colonies or of subdivisions of French New Caledonia, or the islands and frontier towns.

The list of members grows steadily, and the institution in all the more important branches shows continuous and rapid progress. For information affecting future examinations see page 26, and prices, and as to lectures subjects during the present year and 1895. The Appendix, as usual, contains the examination papers recently set. Revision seems to have been well done, and the value of the paper is creditable to the compiler and the printer.
